BECOME AN ONCOLOGY-TRAINED HAIR STYLIST OR SALON

1 in 3 people will be diagnosed with cancer in their lifetime. Join us to learn how to best support your clients who may be affected by medical treatments.

Program Highlights:

- One-day intensive course
- 10 hours of comprehensive training: Lectures, theoretical instruction, and practical demonstrations
- Covers diverse topics related to oncology hair care, such as proper shaving techniques, re-growth strategies & wig selection*

Program Fee: \$200 per person. Contact us for salon pricing. Upon completion, you will be added to our **Oncology Trained** Directory.

**featuring Jeanna Doyle, a Perfect Partner of the foundation, licensed Cosmetologist, Oncology Trained, and author of WigED.*

ABOUT US

The Ricardo Fisas Natura Bissé Foundation - creators of the Oncology Skin Care program, has launched an Oncology Hair Care program for Hair Stylists.

This nonprofit organization is dedicated to uplifting and empowering individuals navigating the complexities of cancer. Our mission aims to enhance well-being and confidence through specialized oncology skin and hair care solutions and comprehensive professional education.
