

# THE PURE AIR BUBBLE: AN ULTIMATE SPA EXPERIENCE TO TRANSFORM SKIN AND MOOD

The Pure Air Bubble is essentially a traveling spa, an escape for the mind and a breath of fresh air for both the skin and the senses. On the inside, you will breathe 99.99% pure air. It is the perfect place to connect with the present moment and make the skin benefit from the treatment's outstanding rejuvenating results like never before. On the outside, its structure swells out due to the pure air inside of it, and its shape undulates as if being blown by the warm Mediterranean breeze.

We will set up the Pure Air Bubble at your DFW location, and our aesthetician will provide wellness & relaxation-focused luxury facials for up to 12 people a day.

This can be used as a fun spa day in your home with friends and family, an incentive for top performers, or as a customer appreciation event.
